

EDC 18th Annual Employee Meeting

Over 120 employees and guests attended the 18th Annual Employee meeting at the Marriott North in Roundrock, Texas. As is the tradition, employees were recognized and rewarded for their performance during 2007. Also, this year La Donna Gatlin, the nationally known speaker, singer and author, entertained the Team.

The meeting started with early breakout sessions consisted of a competitive game of Family Feud for the operations personnel, in which the winners of each round won some cash. Leslie Dill and Gary Hendley directed this session.

The Sales/Admin breakout sessions was a series of product presentations with a pop quiz (for money prizes) at the end. This session directed by Bill Lucas and the rest of the sales force.

The third session was an informative session on claims prevention and processing by Rick Schad, from HDUSA. A big thanks to Jim Harris for putting this session together.

After a great Lunch, the celebration really begins with the Awards Program. Employees and branches are recognized for their performance during 2007. At the end of the awards presentation, Leslie Dill received special recognition for her long and successful tenure as the General Manager of the Austin Branch.
